HOUSE OF REPRESENTATIVES. { REPORT
No. 310.

U. S. Congress, House, Committee on Invalid Pensions

ALEXANDER S. BEAN.

[To accompany Bill H. R. No. 515.]

APRIL 17, 1858.

Mr. JEWETT, from the Committee on Invalid Pensions, made the following

REPORT.

The Committee on Invalid Pensions, to whom was referred the petition and other papers of Alexander S. Bean, beg leave to submit the following report:

That it appears that the said Bean was a private in the company of Captain Moses Canan, of the Pennsylvania militia, during the war of 1812. That in November, 1812, he was attacked with fever, gravel and rheumatism, in consequence of which he was discharged on a surgeon's certificate as being unfit for duty. The original certificate of the surgeon is filed with the papers.

Captain Moses Canan, under whom he served, swears to his service and disease contracted while in service.

I. P. Cummins and James Carrington, who are certified to be respectable surgeons of Westmoreland county, Pennsylvania, swear to his disability and belief that he is totally disabled. A bill is herewith reported for his relief.

ALEXANDER S. BEAN
WASHINGTON, D. C.

April 17, 1926

Mr. Secretary, United States Department of Agriculture, Washington, D. C.

REPORT

The following is a report of the results of the investigation conducted by the writer in connection with the study of the life history of the European spruce sawfly, *Pristiphora erichsoni* (L.), in the State of Washington.

It is apparent that the life history of this pest is of considerable importance to the forest industry of the State. The writer has endeavored to obtain as much information as possible regarding the life history of this pest, and to determine its habits and habits of the pest.

During the summer of 1925, the writer was employed by the United States Department of Agriculture, and was assigned to the study of the life history of the European spruce sawfly.

The writer has been fortunate in obtaining the cooperation of Mr. W. H. Anderson, Forest Ranger, and Mr. J. H. Anderson, Forest Ranger, who are credited to him for the assistance and information furnished. A full and complete report of the results of the investigation will be submitted in due season.
